

School Uniform

All the students must wear the school uniform as specified, to school, during examinations, school tours and excursions, not only as a ritual but as a sacred duty. It will infuse a sense of unity and responsibility in the children.

Guidelines for the parent:

1. Parents are expected to ensure that their ward is in proper school uniform before leaving for school. A child can be sent back/ fined, if improperly dressed.
2. Sports uniform is to be worn on every Tuesday (I to V), Wednesday (VI to VIII) & Thursday (IX to XII).
3. Wearing I -Card and carrying handkerchief is compulsory.
4. Students must wear school uniform on their birthdays as well.
5. To maintain the uniformity of shades, design and material, parents are advised to buy the uniform of good quality of cloth.
6. Parents are requested to avoid buying oversize uniforms since it makes it inconvenient for the child to run and play about freely.
